

What's New in Pro Tools

GET ACCESS TO THE LATEST FEATURES

All Pro Tools perpetual license purchases and subscriptions includes access to all new Pro Tools releases and Standard support—either throughout an active subscription or through a renewable 1-Year Software Updates + Support Plan (perpetual licenses only)—so you can stay up to date.

Pro Tools 1-Year Software Updates + Support Plan RENEWAL*	\$99	£79	€89
Pro Tools 1-Year Software Updates + Support Plan NEW** (formerly known as a Reinstatement Plan)	\$299	£239	€279

* This plan extends your existing Pro Tools 1-Year Software Updates + Support Plan for one year, renewable annually through your Avid account.

** If you own Pro Tools 9 or higher software and don't have a software update plan, or allowed one to expire, this plan will upgrade you to the latest version of Pro Tools and provide all new releases and Standard support for one year, renewable annually for \$99/year.

GET PRO TOOLS YOUR WAY

Pro Tools is available as a low-cost monthly or annual subscription, or you can purchase a perpetual license and own the software outright. If you're new to making music, get started with Pro Tools | First—a free streamlined version of Pro Tools for aspiring pros.
